- Final dividend over FY 2016 of IDR 371 per share was approved by the AGM. Including the interim dividend of IDR 95 per share, this brings the total dividend to IDR 466 per share (total dividend pay-out of IDR 982 billion)
- Innovations in non-alcoholic and low alcohol beverages and productivity and efficiency gains were the major contributing factors for Multi Bintang to realize strong results for 2016

18 April 2017, Jakarta – PT Multi Bintang Indonesia Tbk (Multi Bintang) held a Public Expose following its Annual Shareholder Meeting to announce financial results for financial year ended 31 December 2016.

In 2016, Multi Bintang reported strong recovery in revenue and operating profit after the company's performance in 2015 was impacted by ministerial regulation banning the sales of alcoholic beverages in minimarket.

“We are pleased to report very strong financial results driven by growth in key tourist areas as well as from the hotel and restaurant segments. We are especially pleased that our strong results for 2016 coincided with the year that the company celebrated its 85 years' anniversary of operating in Indonesia,” said Michael Chin, President Director PT Multi Bintang Indonesia Tbk.

Innovation in low and non-alcoholic beverages production

In 2016, Multi Bintang launched a number of new products in the Indonesian market. The company:

- launched the non-alcoholic beverages Bintang Radler 0.0% and Bintang Maxx 0.0%,
- introduced two variants of Green Sands, Lime & Lychee and Lime & Grape,
- launched its malt-based fine soda, Fayrouz.
- entered cider market in Indonesia with the launch of Strongbow, the world's no. 1 cider brand.

As a result, revenue from non-alcoholic beverages grew 50% which accounted for 12 % of total revenue in 2016, compared to less than 10% of total revenue of the company in 2015.
